### **Comments / Recommendations:**

(notes taken directly from Data Collection Sheets)

Lots of trash under & beside footbridge – if set date for all to help I will be there. I already started but there's a lot/ One full bag just from under the pier./ Tennis balls all came from drain by North Gate/Many small pieces of Styrofoam and plastic wrappers/ You can tell the beach isn't getting the same use as the summer, it wasn't too bad except by the fire pit and tables.
